

## Interactive Group Discussions

- 7-8 thematic tables
- Overall theme: **Systems strengthening in sanitation and hygiene** (anchored in SuSanA Working Group 10 „*Operation, maintenance, and sustainable services*“)
- Table leads will kick start discussions with input and guiding questions

### Timing

1. Brief introduction of topics and key questions (1 min per Table)
2. Group discussion (around 60 minutes), afterwards coffee break

Table rotation is optional
